ABOUT THE SCHOLARSHIP

The Mahmoudi Scholarship for Justice was co-founded in 2019 in the UK. The scholarship encourages education among youth in memory of one of the most impactful and multi-talented couples in the contemporary Bahá'í community of Iran, Zhinus and Hushang Mahmoudi.

Following the establishment of the Islamic Republic of Iran and the formalisation of persecution of the Bahá'ís as part of state policies, Hushang was subjected to enforced disappearance on 21 August 1980, and Zhinus was executed on 27 December 1981.

In addition to being a united couple with a warm and welcoming home, the Mahmoudis promoted education for their community's youth and children. From among this population, the scholarship was born as a token of appreciation.
